Unfortunately this chapter's first page and last chapter's last page were stuck together, so we're missing the title page.

So we're putting the credit page here instead!
I hope you don't mind.

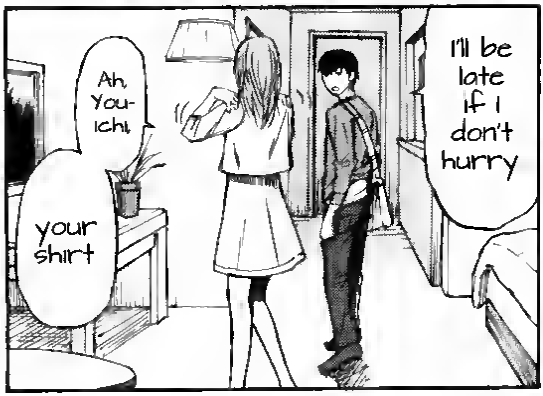
Again.
Eh?
Let's do it one more time
Yuka, it's 8 in the morning
Lets wake up and take a shower
You-ichi
Yuka
You-ichi
Hey
Mnnh
Do it?
Huh?
No, it's morning already
So we're doing it in the morning
We just have to!
More
I didn't expect Yuka would
ask for this in the morning
Ah..
There

No
Ahh...
I'm burnt out because I did it before I slept yesterday
I hope she doesn't realize
I do.
And only me?
Do you really love me?
You-ichi
Is that really, really true?
I'm not lying
Yes, only you
You only love me, right?

I don't want you
chea-ting on me...



Ah, You-ichi,
your shirt
I'll be late if I don't hurry

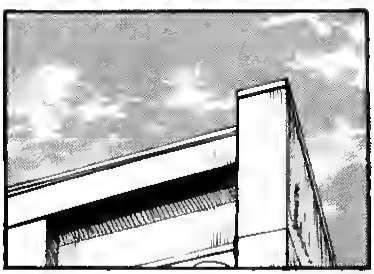
ぴっ

Thank you
す
ぶ

Yeah.
Youichi is mine and mine only, okay?

Yes, somehow
Are you progressing well?



That's
um, okay.
Isn't that because there are too many distractions?
You should do it somewhere you'll be alone.

But I think this will take quite a long time
It's hard doing it while keeping my mind blank

Oh... Well, I have tomorrow off, so-

Also, I want to directly check your condition
Can you come here anytime soon?

?
Yes, I am counting on you about that
I will contact you later

Doesn't sound like it's your girl-friend
Haha- well as you see!

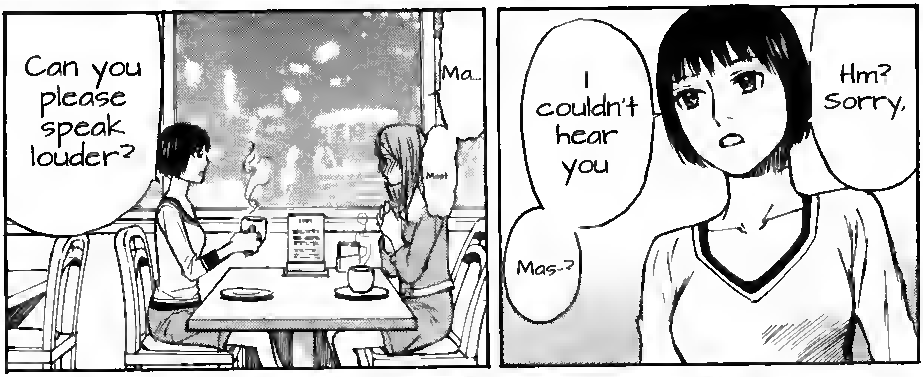
My break ends soon, so... see you...

It's right.
Youichi is cheating.

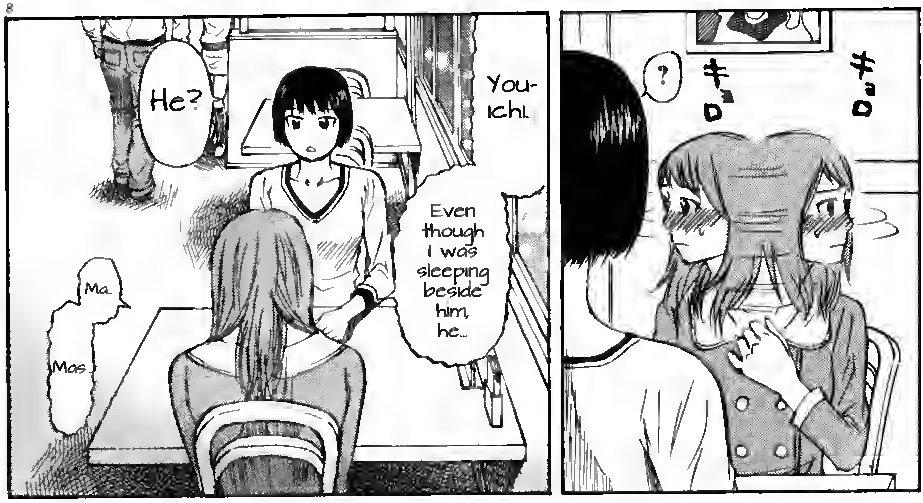
He
Not really, but he
Beside me, he..

.....
Did you find any solid evidence?

Ma
Mas
Ma..



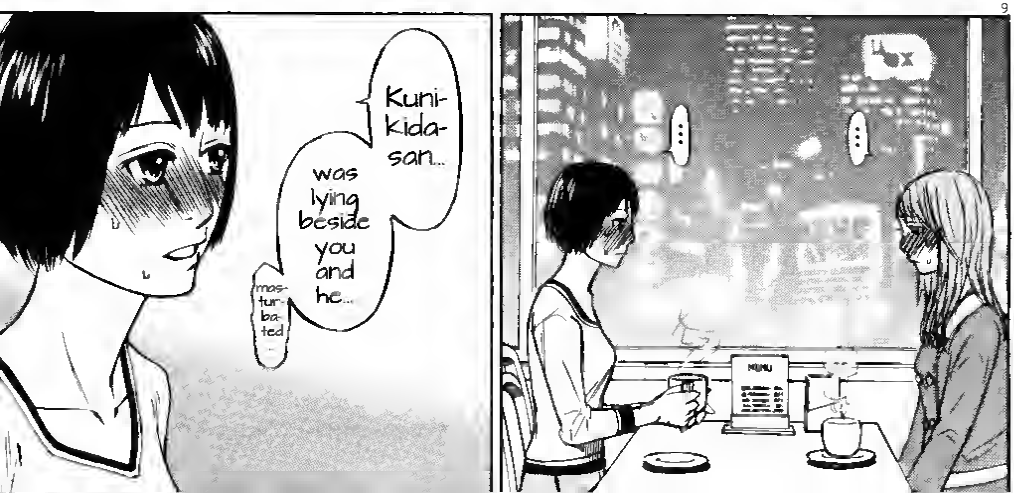
Can you please speak louder?
Ma..
I couldn't hear you
Hm? Sorry,
Mas-?



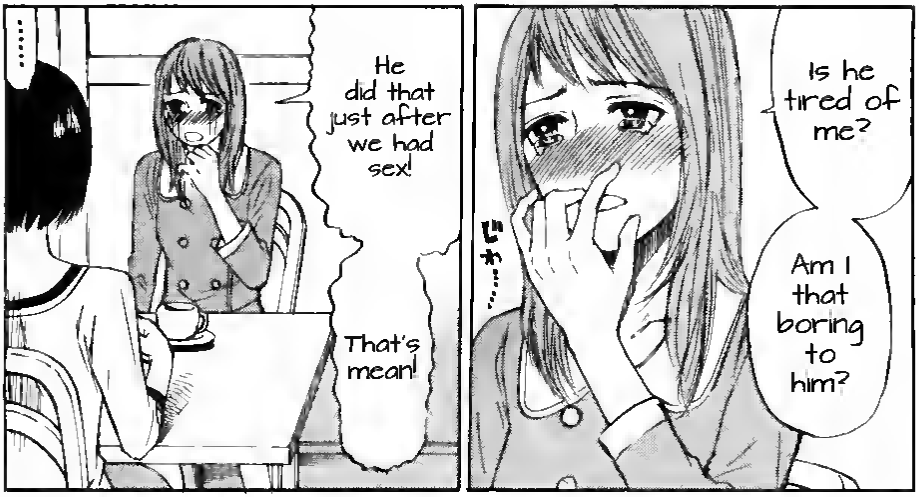
He?
Yuu-ichi.
Even though I was sleeping beside him, he...
Ma
Mas
?

He
Mas-
tur-
bated

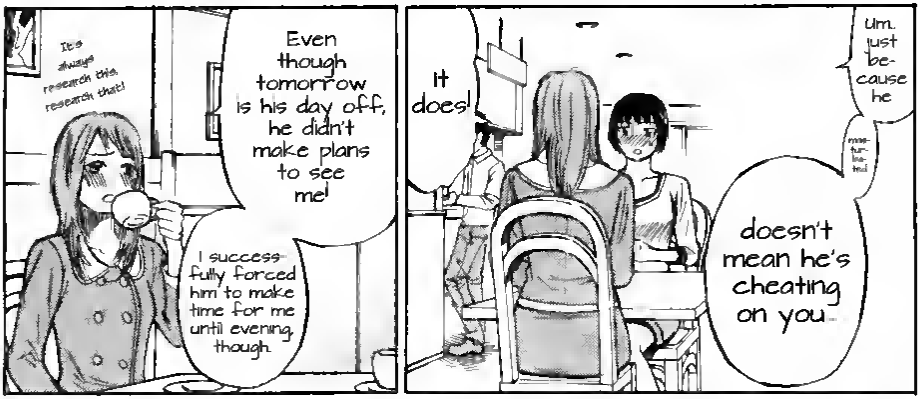
Mas..
Mas-tur-ba-ted?
ハッ!



Kuni-kida-san...
was lying beside you and he...
mas-tur-ba-ted...
MENU



.....
He did that just after we had sex!
That's mean!
Is he tired of me?
Am I that boring to him?

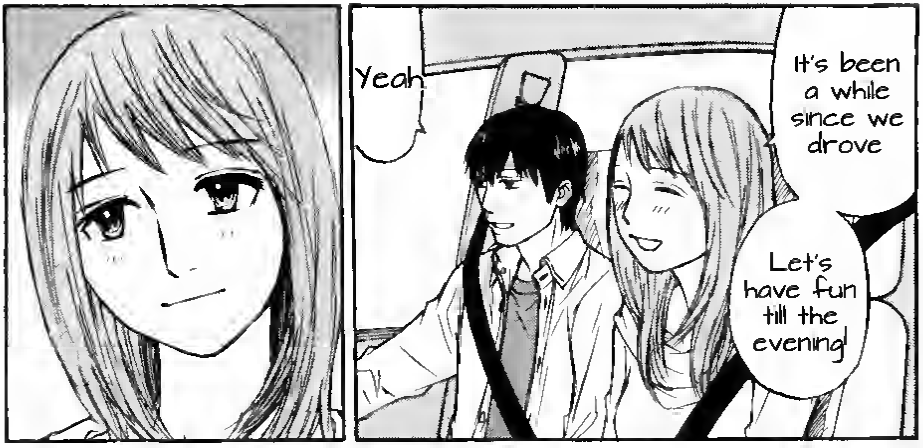


It's always research this, research that!
Even though tomorrow is his day off, he didn't make plans to see me!
I successfully forced him to make time for me until evening, though.
It does!
Um, just because he
doesn't mean he's cheating on you

I will find some evidence
And then

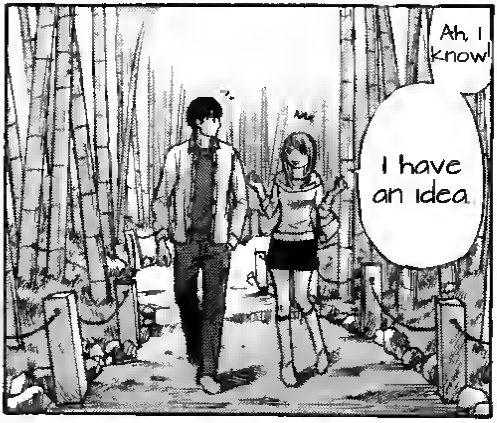
What are you going to do, Yuka-san?
You don't want to be separated from him, do you?

I will make him mine.
I'm sorry for forcing myself on you even though you have things to do
I'm also sorry that I can't be with you for long
I will definitely make him mine and mine only.
.....

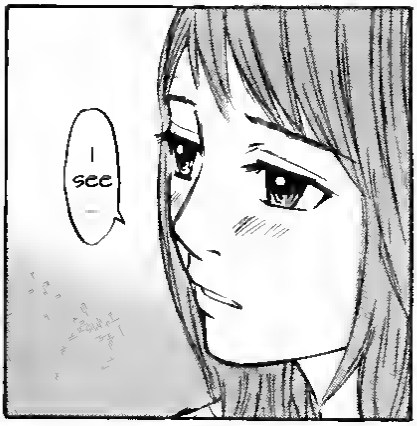


Yeah
It's been a while since we drove
Let's have fun till the evening!

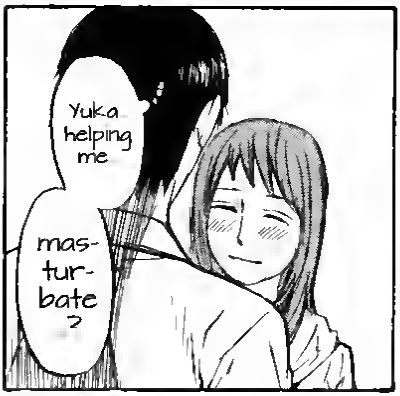
Hey, You-ichi.
Do you really have to go to-night?
Yes.
I really have to do this rese-arch
And you won't be done anytime soon?
It'll take quite some time, I think.



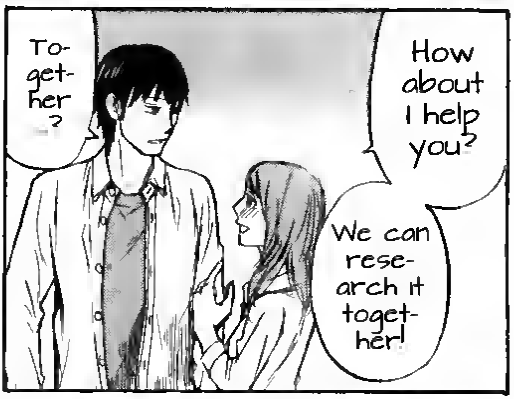
Ah, I know!
I have an idea



I see



Yuka helping me
mas-tur-bate ?

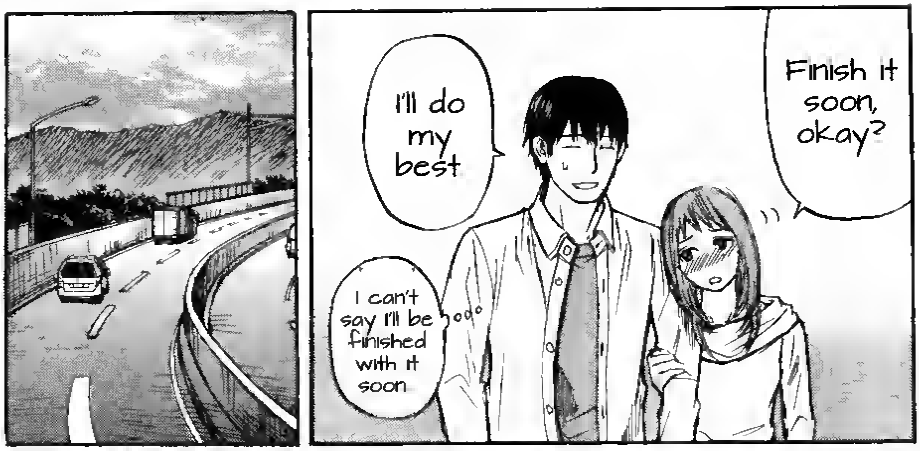


To-get-her ?
How about I help you?
We can rese-arch it toget-her!

Ah, if you grope it like that !!
Ahh
ぐりぐりぐり
Hehe! This is inter-esting
Is this the spot?
Why ???
No, it's something you can't do

We do it as the manual says
This is exciting
I'll do my best!
What do you mean the "right form"?
No I think this'd be better!

Finish faster
with her help
But I'm good at assisting people
You'll finish faster with my help
That's just meaningless
Nghh
おおおおお
Ah It's okay
No, Yuka-
I think doing it with a partner is better than doing it alone
Let's do it Youichi
14
Sigh
I thought we could be together more...
Buuut
I have to do it alone
Please let me research it on my own...



Finish it soon, okay?
I'll do my best
I can't say I'll be finished with it soon

You-ichi, I'm thirsty
I'll buy you something at the next convenience store we see
